

# TALK IT OVER

## FAVOR FINDERS

### DIG DEEPER

There are two people in the Bible who found God's favor. One was Mary (**Luke 1:30**), and the other was Noah (**Genesis 6:8**). Favor is preferential treatment from God, where you obtain an elite status undeservingly. Favor is also tangible evidence of God's approval.

This caught my curiosity, and I began my journey to "find" God's favor. It's obvious that if I want to find something, I have to look for that very thing. But I discovered that in order to find God's favor, I need to look for Him! And by finding Him, I find life and receive His favor (**Proverbs 8:35**). Often, we trade the blessing for the blessing (*Mr. Wonderful would say: horrible deal!*)

### REFLECTION QUESTIONS

1. Self-Evaluation: How much time do you invest daily in seeking God?
2. According to **Psalms 30:5**, is God's favor temporary or does it last? How long?
3. What is your greatest obstacle you need to overcome to begin growing in favor?

*"For whoever finds me finds life and receives favor from the Lord.*

*- Proverbs 8:35 (NLT)*

### SIMPLICITY

The 4 practical steps to grow in favor (Luke 2:52) are:

1. **Take your Prayer Life to Another Level (Romans 8:26-27)**
2. **Learn to Listen to God (Psalm 32:8-9)**
3. **Work on your Character (Galatians 5:24)**
4. **Be Consistent and Persevere! (Hebrews 10:24-25 & 35-36)**

Encourage participants to make a pact (along with you), to begin practicing these for steps for 30 days. When the 30 days are over, share your results. You'll be amazed! Pray together.
